Dear Mr Ireland,

We would like to commend Life Solutions on their drinking water systems which we have been using in our offices since 2004.

In the past we supplied our staff with bottled water, but Life Solutions presented us with an attractive cost effective alternative. In addition we no longer have disruptive weekly deliveries of countless water bottles and do not require the storage space.

We have been impressed by the professional service that Life Solutions have and continue to display and their maintenance of the water filtration systems has, to date, been exemplary.

Yours sincerely,
For and on behalf of Jones Lang LaSalle Ltd
